

# How to get the link to shop online for a TupperConnect Party

**WARNING:** If you see another sales force member post a link in an email or on a social media site DO NOT CLICK ON IT. TupperConnect Party links over-ride cookies. For instance, if I posted a link on my facebook wall and you clicked on it, although it shows that your name IS the consultant and you are shopping on your site, you really aren't if you click on another rep's TupperConnect party link. They will get the credit because that party is attached to the rep that set it up. Bottom line, do not click on any other consultants website link ever, just to be safe. 😊

Ok, here is what you do:

1. Log into your web office and set up the TupperConnect with your hosts name, mailing address and phone number. **USE YOUR EMAIL ADDRESS as the hosts address.** (Highlighted in Yellow is the consultants email address)

The screenshot shows the 'Party Setup' web form for 'Wendy Leal'. The form includes a navigation bar with 'Welcome', 'Sales Force', 'Reports', 'Search', 'Resources', and 'Log Out'. The main form area contains a table with party details: Party # 4000457517, Description 'Steve's Party', Party Date 12/06/2010, Attendance 0, # Orders 0, and # Datings 0. Below this is a section for shipping preferences, with 'Host' selected. The 'Home Address' and 'Ship Address' sections are identical, with the email 'hostapartyonline@yahoo.com' highlighted in yellow. The 'Party Setup Date' is 12/06/2010, and the 'Party Start' is 01:00 PM. Navigation buttons include 'Previous', 'Host Order', 'Party Orders & Datings', 'Delete Party', and 'Next'.

2. You will receive an invitation to register their TupperConnect Party. Click on the "Register My Party Now" link in that email.

- If they do not have a Tupperware account registered you will register an account for them by entering your hosts mailing address, phone number and **THEIR REAL EMAIL ADDRESS**. You will need to choose a password for them and also a security question and answer. Make sure you write the password and their security question and answer down so you can give it to them so they will be able to log into their account in the future. (For the security question and answer I usually choose the question "What is your favorite color" with the answer as "Red". Do it the same for all parties so you do not get confused.

10. You will want to **right click** on the link in the email that says "Shop Online" and copy shortcut. Paste this link in notepad or Word. It will look something like this:

[http://order.tupperware.com/pls/htprod\\_www/!twx\\$eparty\\_ctl.p\\_guest\\_welcome?pv\\_eparty=94196193ceedcd3cdaaea6a291f1b21b&pn\\_guest=3304106](http://order.tupperware.com/pls/htprod_www/!twx$eparty_ctl.p_guest_welcome?pv_eparty=94196193ceedcd3cdaaea6a291f1b21b&pn_guest=3304106)

11. You will need to remove the ending guest number (highlighted in RED for display purposes here) from the link.

12. After you remove the guest number you can copy the link again and go to <http://tinyurl.com> and paste it into it and make it tiny!

That's it!! 🌍

From there you can email the new link to the host so she can post it on social media sites or send an email to everyone she knows inviting people to shop online. Even people that are actually planning on attending will be thrilled that they can also take advantage of the Online Exclusives!

This is a really simple process but if you have any questions after you have followed this tutorial STEP BY STEP please contact me.

Have a Blessed Day!

P.S. A special "THANK YOU" to Kim Wollenslegel for assisting me with this whole tutorial! You are a genius Kim! <3
